The Center for Afterschool, Summer, and Enrichment, or CASE for Kids SMART Zone contains a comprehensive collection of valuable resource materials available to all Harris County out-of-school time programs. The Zone contains hundreds of items including resource guides, comprehensive curriculum, activity books and kits, sports and fitness equipment, and electronics. Additionally, the Zone includes a list of free, web-based curriculum and activities.

All materials are available for FREE use on a first-come, first-serve basis to all out-of-school time providers and programs in Harris County that serve youth ages 4 to 12. Items may be checked out for up to four (4) weeks, or longer depending on the planned duration of some comprehensive curriculum.
