

ENRICH Summer 2018 Application

Applications Accepted: May 24, 2018 – July 13, 2018

Overview

CASE for Kids is placing direct service providers in summer programs to address unique needs in targeted communities within Harris County. ENRICH Summer offsets costs that could be spent on other services in an effort to help build organizational capacity. Programs must be actively engaged with a community initiative or a collaboration that is striving to serve youth within Harris County boundaries. Programs must also serve high need student populations 4-12 years of age, or up to 19 years of age with a documented disability.

ENRICH Summer provides a wide range of hands on, fun experiences that integrate literacy and numeracy development and social emotional learning. These activities will enhance or supplement existing out-of-school time programming at no cost to the program. CASE for Kids will directly contract content experts through our service provider public bid list, that is sent out for bid annually. Students will have the opportunity to explore the world of arts, science, physical fitness and more.
