Provide immediate care

Train with a certified American Red Cross instructor to meet CPR and first aid certification requirements.

- **Satisfy job-mandated requirements** and help keep your students and family safe.
- Learn through lecture and hands-on simulation.
- Gain techniques to **provide immediate care** in cardiac, breathing and first-aid emergencies until advanced medical personnel arrives.
- Course completion provides you with a certification and access to a link to digital refresher courses within 2 years of your certification.
- Join millions who are trained every year and learn the skills that can save a life.
