Center for Afterschool, Summer and Enrichment for Kids presents
Engineering Activities in Afterschool

Friday, Feb. 03, 2017
10 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Engage your inner engineer

Want to engage students in fun engineering activities? Worried to try because you are not an engineer? This workshop is for you! Engage your inner engineer with activities for you both as learner and educator. Learn how to support students as they work through engineering design challenges and build their problem-solving, teamwork, and creative skills!

About the presenters

Toni Candis and Chasidy Celestine provide technical assistance, support and resources to the afterschool field in their roles at CASE for Kids. Ms. Candis supports Texas ACE 21st CCLC Programs in Cycle 8. Ms. Celestine works with afterschool programs in child care centers. They will present this workshop in March at the Beyond School Hours Conference in Atlanta.

Workshop fee: None
