

HARRIS COUNTY DEPARTMENT OF EDUCATION **CASE** *for* **Kids**

Center for Afterschool, Summer and Enrichment for Kids presents
**Logic Models for Program Planning, Monitoring
and Evaluation of Effectiveness**

Monday, October 10, 2016
9:00 - 11:00 a.m.
6300 Irvington Blvd.
Houston, Texas 77022

Why develop a logic model?

A logic model can generate a clear understanding of how a program works, support program planning and improvement, and serve as a foundation for evaluating achievement of intended outcomes. Participants in this workshop will have the opportunity to explore the elements of logic models and practice building their own model for their afterschool program.

About CASE for Kids

CASE for Kids services improve program quality and equalize access to afterschool, summer and enrichment opportunities – because what happens between school and home matters. To learn more about CASE for Kids services, visit www.afterschoolzone.org
