

Workshop Schedule November 2017

Center for Afterschool, Summer and Enrichment

Put Some "STEM" in December

Friday, November 3, 2017
10 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: None

[Register Online](#)

Learn how you can encourage your students to explore STEM topics in an open-ended, inquiry-based manner that promotes teamwork and creativity. Activity kits and other resources from the CASE for Kids SMART Zone will be highlighted. Bring out the scientist in you and your students!

Cultivating Curiosity through Literacy

Friday, November 17, 2017
10 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: None

[Register Online](#)

Out-of-school time programs provide the ideal environment for students to practice and apply learned skills. Learn how to increase grades 4-6 students' literacy by creating real opportunities for curiosity and collaboration to bloom.

CPR and First Aid Certification Training

Thursday, November 30, 2017
9 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: \$35

[Register Online](#)

This training, facilitated by a certified American Red Cross Instructor, is appropriate for job-mandated requirements, or enroll if you just want to know how to keep your loved ones or students safe. Through lecture and hands-on simulation, you learn how to provide immediate care in cardiac, breathing and first aid emergencies until advanced medical personnel arrives. Successful completion of the course provides a certification and access to a link to digital refresher courses within 2 years of your certification. Join millions who are trained every year and learn the skills that can save a life.
