

CASE *for* Kids

Workshop Schedule October 2017

Center for Afterschool, Summer and Enrichment

Internet Safety for Afterschool Educators

Friday, October 6, 2017
10 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: None

[Register Online](#)

The workshop explores the basics of the Netsmartz safety program, developed by the National Center for Missing and Exploited Children. Participants learn how to teach children ages 5-17 to make better choices online and become responsible digital citizens. In addition, games, videos, classroom lessons and guides for parents to better protect their children online are shared.

CPR and First Aid Certification Training

Friday, October 13, 2017
9 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: \$35

[Register Online](#)

Train with a certified American Red Cross instructor to meet CPR and first aid certification requirements.

- Satisfy job-mandated requirements and help keep your students and family safe.
- Learn through lecture and hands-on simulation.
- Gain techniques to provide immediate care in cardiac, breathing and first-aid emergencies until advanced medical personnel arrives.
- Course completion provides you with a certification and access to a link to digital refresher courses within 2 years of your certification.
- Join millions who are trained every year and learn the skills that can save a life.

Journey into Space

Saturday, October 14, 2017
9 a.m. - noon
HCDE Conference Center
6300 Irvington, 5th Floor
Houston, Texas 77055

Workshop fee: None

[Register Online](#)

Journey into outer space with these NASA-created lessons! Participants will learn how to integrate NASA activities into science classes/activities for 3rd-8th grade. All lessons are aligned to the Texas Essential Knowledge and Skills (TEKS) and are ideal for cooperative learning.

Behavior Management Basics for Afterschool Programs

Friday, October 20, 2017
10 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: None

[Register Online](#)

Research and experience shows that providing a safe, secure and happy environment where students and staff can thrive is the key to behavior management. In this workshop, we will go back to the basics to share tools and resources to make the afterschool experience productive and age-appropriate.

Building Community

Friday, October 27, 2017
10 a.m. - noon
6005 Westview Dr.
Houston, Texas 77055

Workshop fee: None

[Register Online](#)

Do you know what it takes to build an emotionally and physically safe space for youth? Building an emotionally safe community of peers and adults is essential for youth to learn and develop as individuals. This interactive workshop will introduce participants to a variety of activities designed to support the community building process.

About CASE for Kids

CASE for Kids services improve program quality and equalize access to afterschool, summer and enrichment opportunities – because what happens between school and home matters. To learn more about CASE for Kids services, visit www.afterschoolzone.org
