

HARRIS COUNTY DEPARTMENT OF EDUCATION

CASE *for* Kids

Center for Afterschool, Summer and Enrichment for Kids presents
The Science of Soccer

Improve Academics through Soccer

The workshop developed by the Science of Sport provides soccer-related lesson plans as a mechanism for elementary and middle school students to improve their academic performance. The goal is to translate the love of soccer into an appreciation, understanding, and passion of the science and mathematics underlying the sport. Attendees learn about the curriculum and participate in different soccer activities led by field experts.

Tuesday, August 7, 2018

9:30 a.m. - 3 p.m.

6005 Westview

Houston, TX 77055

Workshop fee: None

[Register Online](#)

Class size is limited to 20 participants, register early!

Bonus: The first eight sites to register will receive a FREE soccer kit for their program, including the curriculum, soccer balls, goals, and other equipment.

Materials to implement the Science of Soccer in your program can be borrowed from the SMART Zone.

About CASE for Kids

CASE for Kids services improve program quality and equalize access to afterschool, summer and enrichment opportunities – because what happens between school and home matters. To learn more about CASE for Kids services, visit www.afterschoolzone.org
